

Get well - close to Weimar, town of culture!

Waters of healing

This motto of our spa clinic stands for a large number of therapeutic treatments we have to offer. These are provided by our committed and qualified team of doctors, therapists and nurses.

Words of healing

In our rehabilitation clinic with its Christian emphasis you will find available a lot of cultural, social and Christian activities. We attach the greatest importance to personal help and effective living and working together of staff and patients.

Our aim is the building up of our patients' health in the choice ambience of our rehabilitation clinic.

We provide preventive or rehabilitation treatments for the following:

- disabilities affecting mobility
- respiratory disorders
- heart and circulatory conditions
- psychosomatic disturbances
- unduly protracted convalescence

What we offer:

- we will take you from the railway station
- car parking
- a room of hotel standard with telephone, TV
- breakfast and evening buffet, lunch menu (full range of meals, all dietary requirements catered for)
- brine/thermal bathing and sauna
- creative and cultural facilities
- a non-smoking environment
- specialist medical examinations
- individualised therapeutic plans
- the full range of therapeutic treatments
- health seminars; medical lectures by doctors
- final medical report
- spa tax included
